Ref: Our file number is **526-20**

Dear Ms. Ciaramitaro:

We are in possession of your FOIA request for *All written records of traffic stops from 07/01/2019 through 12/31/2019, including but not limited to all citations, written warnings, and records of stops or seizures where no citation(s) or warning(s) were issues, whether or not there was an arrest of any subjects.* This request represents a voluminous amount of search time, verifications of charges, documents to print and review for separation of exempt information from non-exempt information and to then copy. This will result in an unreasonably high cost to the Department. Because we estimate your fee to exceed (50) fifty dollars, we will require a good faith deposit in the amount of **\$6,542.25 (represents 50% of the ESTIMATED COST)** before we will commence processing your request. *Please keep in mind that this is our best guess estimate and the end result may produce higher processing fees.*

If you wish to reduce the scope of your request to meet your information needs at a lower cost, please advise this office in writing at your earliest opportunity. Please refer to the attached Worksheet for a detailed estimate of the cost to process your request.

Although our scope of breaking down information with regards to race, gender and age is limited, I am offering to supply you with total number of traffic citations for 2019 broken down by race and gender. Hopefully, that information would suffice your request, which would be of no cost.

For the Chief of Police,

Nancy Siegle  
Keeper of the Records
